**STUDIO USE POLICY:**

- This is a multi-use studio and is kept clean and paint-free. Please help by cleaning up after yourself and being aware of wet paint.
- No paint on the studio walls. No nails or tacks on studio walls.
- Art making/art supplies to remain in the studio great room. Do not leave art supplies on the dining table, sitting area, kitchen, or bathroom. Do not use kitchen or bath items (i.e. blow dryer, knives) for art.
- Only use indoor sinks to fill buckets and wash hands. Sinks to be wiped down and free of paint and medium.
- Do not pour medium or paint into indoor sinks, as it clogs the drains and septic system.
- Use outdoor sinks for cleaning all paints, brushes, and tools. This keeps solids and mediums out of the water system.
- Aerosols and fixatives must be used outside, away from studios.
- Pastels and charcoal produce airborne particles and can be harmful, not to mention messy. Use outside only.
- No wet paint in the trash. Let paint dry before placing in trash bags.
- No flammable materials, including flammable art supplies, in the building or on the property without prior approval.
- Each artist has a two-sided painting wall that is 6' wide x 6' tall, with a 12" open center. Canvas may be tacked onto either side. Floor easels available. Your work area includes a 6' table. Supplies may be stored under the table or inside the painting wall.
- Please pick up your work area at the end of each day.
- Please be aware of your space and your neighbor's space. Be respectful of separate work areas, as well as talking, music and other distractions.
