**NOTES:** Recommend Costco Travel for the cheapest rates on air, rental car & lodging. Rates are about 30% lower.

### LODGING

Santa Fe is one of the largest art communities/markets in the U.S. There are thousands of choices for lodging from high-end resorts to cozy motels, to casitas rentals, to entire homes for a couple of days or the whole month. Start here:

[Trip Advisor](#)  
[AirBnB](#)

[VRBO](#)  
[Pet-Friendly](#)

When you stay in town, you'll enjoy everything Santa Fe has to offer. You may want to stay close to the Plaza and stroll the blocks of shops, galleries, and museums. SFAG is just 15 minutes from the center of town.

Or you may want to stay on the edge of town for a quick morning drive. SFAG is just 8 minutes from the edge of town.

There are several house/casita rentals in the country nearby. Use the map/search functions on VRBO and AirBnB to find nearby rentals.
