

Santa Fe Artist Getaway

FEARLESS ABSTRACTION: PAINTING INTENSIVE Supply List

Most of the workshop is dedicated to independent painting. Bring materials that you are accustomed to working with. When in doubt bring less, it makes travel easier and often allows you to produce appealing results as you challenge yourself.

Art materials & misc. supplies may be purchased in Santa Fe at: Artisan's art store (open 9 AM – 5:30 PM), Hobby Lobby, Lowe's, Home Depot, Michael's, and The Dollar Store.

You may ship materials to and from SFAG. See Shipping Instructions on the **Student Info** page. **PLEASE READ & AND FOLLOW CAREFULLY.**

This is a SUGGESTED supply list. Do not feel obligated to purchase everything.

Notebook/sketchbook:

Take notes, sketch, create.

Canvas:

Workstations include a 6' x 8' painting wall.

Depending on how quickly you create, you will want to have somewhere between 4 - 8 large canvases that fit onto the painting wall (no larger).

bigduckcanvas.com dickblick.com

Prepare canvases in advance by cutting and marking to save time.

Or ship directly from the art supply store to SFAG and cut/prep on site.

See shipping address on **Student Info** page.

Do not bring:

Oil or solvent-based paints

Chalk, willow charcoal or other friable material (which becomes air-borne or crumbles onto the floor)

Paints:

Water-based or acrylic paints. Paints you are comfortable using.

Liquitex, Golden, or Nova paints

Heavy-bodied, tube, or fluid.

Brushes:

A selection of what you use.

Inexpensive chip brushes 1" to 6", found at most hardware stores

Color shapers, usually made out of silicone

Palette knives for mixing and applying

Wooden dowel or pole to attach a brush (or use found branches/sticks on site)

Unconventional tools, your choice

Acrylic Gel Mediums:

Acrylic gel medium you would like to experiment with

Liquitex glazing medium

Matte gel medium

Extra-heavy gloss medium

Mark Making Tools:

Stabilo Woody pencil -- water-soluble, can be sealed with medium

Art Graf water-soluble markers

Water-soluble pencils

Water-based crayon- Caran d'Ache

Miscellaneous:

Paint rags (made from T-shirt)

Paper plates, paper bowls, or waxed paper for palettes

Plastic containers for mixing and storing paint

Press and Seal, or freezer paper or waxed paper, for sealing paint in-transit

Wide masking tape
